New Pens for 2023

Kokanee Power is currently constructing 2 new pens

Kokanee Power's Supported Pen Projects Includes:

- Construction and placement of new pens.
- Maintenance, cleaning and any needed repairs to supported pens.
- Purchasing, managing and delivery of fish food to supported pens.
- Work parties to assist Department of Fish & Wildlife to place fish in the pens.
- On-call support for the marinas that keep the fish fed.
- Outreach for pen placements at new lakes by KP's Pen Project Committee.
- Our \$35,400 budget for 2023's Fishery/Pen Projects was approved by the KP Board.
