San Joaquin Hatchery Kokanee Update

Jan 26, 2007

On a recent trip to the San Joaquin Hatchery in January, Kokanee Power Director Gary Schoonhoven went to check up on 2007's Kokanee fry. The fry are doing well and aggressively feeding on high protein food. The Kokanee shown are slated for Region 4 planting in the Spring of 2007. These Kokanee will be planted in lakes such as Shaver Lake, Bass Lake, Lake McClure, Lake Don Pedro, and New Melones Reservoir. The 2009 Kokanee sport fishery is looking good!!
