On behalf of the CAST for Kids Foundation and the Bureau of Reclamation, I would like to thank you for your generous donation to our CAST for Kids Fishing Fun Fair this year at New Melones Lake. The event succeeded in educating disadvantaged and disabled children on the enjoyment of getting outside, recreating with family, stewardship of the land, eating right and healthy living habits. Each child had an opportunity to go fishing out on a boat, for many this was a first time experience. On shore, children participated in interactive booths set up and run by volunteers. The Messengers Clean and Sober Motorcycle Club served a delicious hot lunch to all attendees.

This was our 23rd children's fishing event and without generous people like you, it would not be possible. Thank you again for your donation and we hope to have your support again next year.

Cordially,

Mike McGraw,
2015 CAST Coordinator
