It is with great sadness we are communicating the passing of longtime Kokanee Power Director, John Lico. John was a member since 2000 and Director since 2007. We don't have details other than we know he passed away peacefully at his home earlier today. John was extremely dedicated to the organization and volunteered his time graciously.

Everyone that fished a derby knew John as our dedicated weigh-master for many years. In addition, John's booming voice will be missed as the regular derby raffle announcer, banquet emcee and his dedicated help for the annual ISE show. Once we receive more information on services for John, we will pass them along. Rest in peace John, you will be sorely missed and your dedication to Kokanee Power will not be forgotten.
